

For the last twenty years we have worked with nature's key components of creation - advanced geometry, sound and light to create our exclusive TriVortex energy chambers.

After treatment, a TriVortex product resonates a balanced, coherent energy with many benefits for all living things - balanced energy and emotions, improved hydration and protection from electrical fields and radiation. The TriVortex energy treatment continues to work for decades.

PENDANTS: Balance Energy & Emotion High-grade stainless steel.

Wear a pendant to enjoy greater levels of wellness and calm. You can wear a TriVortex Pendant on a necklace, in your undergarments or pockets. You will receive benefit wherever the product is as well as across your whole energy body. We suggest the upper torso area is best.

TriVortex Pendants are not jewelry, they serve an important purpose. Being high-grade stainless steel, they are built to last and remain affective for years and years. Most women prefer to clip/place a Pendant or Disc inside on their bra or underwear.
